

Deaths

Wayne MacAulay

It is with sadness that I recently heard of the death of Wayne MacAulay.

Wayne was a leading stalwart in the early days of re-building the clan.

Ian MacAulay who was made Commander of the Clan by the Lord Lyon appointed him in 1997 as his representative in the USA with responsibility to promote and develop the clan across the USA. It is thanks to Wayne's early work that we now have a solid foundation across the USA.

He was also very supportive in seeing the clan develop here in Scotland.

This was reflected in the number of Clan Gatherings he attended here over a number of years. His support in this way motivated all of us who served on the executive committee at that time.

On behalf of all who knew him, I send our condolences to his wife Jo Karen and to the rest of his family.

Marie MacAulay

As many of you know Marie MacAulay died on the 25th March 2012. Marie was the wife of our great Clan Stalwart and Commissioner for the State of Florida Worth MacAulay.

Our thoughts and prayers are with Worth and his family at this very sad time.

Apart from being committed to her family Marie was also very involved in all things Clan MacAulay.

She diligently supported Worth in his work as a Clan Commissioner and attended our "Homecoming Clan Gathering" in Edinburgh in 2009. An event she thoroughly enjoyed, particularly the "Clan March" up the Old High Street.

Those who were fortunate enough to meet her on that occasion will have very fond memories of her.

She will be sadly missed not only by her family and friends but by all members of our Clan MacAulay Association. Her contribution to the promotion of our clan will forever be remembered by all concerned.
